**Youth Marksmanship**  
**Shooting Event**

**Small Bore League**  
(Winter Indoors)

Looking for something for the kids to do on Wednesday evenings? North Bristol is hosting a NEW youth Marksmanship Program!! This is a great way for your kids to learn the finer points of precision shooting. Winter sees us focusing on precision shooting using air rifles.

When weather permits and during the summer, we will take those skills and apply them to small bore rimfire 22's. Even better you can sit, have some food, and watch your kids' shooting proficiency increase, all at the same time. Sessions are open enrollment. Call the club today!

5 Trap Fields
