

FIRST SHOTS® RELEASE FORM

FIRST SHOTS® AN INTRODUCTION TO SHOOTING

In exchange for consideration of my engagement as a model or other consideration received, I grant the National Shooting Sports Foundation, Inc. ("NSSF"), or its authorized designee, the right to photograph, videotape, and audio record me, and I irrevocably assign all right, title and ownership interest, including, all rights in copyright, in such photographs, videos, and/or audio recordings to NSSF, regardless of their form (photographic film, digital, etc.) or presentation (e.g. final, negatives, etc.). I understand that by agreeing to be photographed, videotaped, and recorded I also am agreeing to permit NSSF to use my name, voice, image, and likeness.

I understand that NSSF, as the sole and exclusive owner of the photographs, videos and recordings of me, may alter, reproduce, publish, license, prepare derivative works from, or otherwise use and exploit them without restriction at any time in any lawful manner in any and all media, now known or hereafter devised and in perpetuity without further consideration, notification, permission, or attribution to me. Furthermore, I understand that all rights, including copyrights, in NSSF materials in which my name, voice, image, and likeness may appear shall be NSSF's sole and absolute property. I hereby waive any right to inspect or approve photographs, videos, and/or recordings of me, the materials in which they may appear, matter that may be used in connection with them (e.g., advertising copy), or the use to which they may be applied.

To the maximum extent permitted by law, I hereby hold harmless and release and forever discharge NSSF and any of its licensees from all claims and causes of action which I, my representatives, heirs, assigns and next of kin have or may have by reason of this Release, whether known or unknown, including, without limitation, for libel, slander, invasion of right of privacy, publicity or personality, or any other claim or cause of action, based upon or relating to NSSF's exercise of the rights referred to and granted to it herein.
